

## Say It!

I am learning about the sounds  
m, c, k, s, p, a, t, i, n, ck, o, e, u,  
f, b, h.

How many different words can you find that begin or end with the above sounds?

Practise spelling out words phonetically e.g. c-a-t and then asking your child what the word is. Let them spell words out to you and then you have to say what the word is.

## Daily Writing

In your jotter, write something that is important to you every day or it could be a story. Draw a lovely picture to finish!

Remember: CAPITAL LETTERS at the start of each sentence, full stop at the end of each sentence and remember to use finger spaces!

## Spell It!

I am learning to spell.

Ask your child to spell words either orally (like c-a-t) or using the letter tiles on the (feel free to print and cut them out!), or written down. Can they tell you what the first, middle and/or last sounds are? Let them test you and see if they can mark it correctly! Spell your High Frequency words too!

## Write It!

I am learning to form my letters correctly.

Practise forming the letters correctly in your jotter. Make sure that you are holding a pencil correctly and that you are starting in the right place for each letter formation.

## Read It! Create It! Talk about It!

Join Mavis for an adventure! For the first 2 weeks, you and your parents/ carers will read together. You will also have some talk time. The talking ideas can be found on P.6 of the Mavis booklet. There will be more activities to follow in the next couple of weeks. On P.8 of the booklet, you can even pretend to be some of the characters in the story! Use some of those drama skills you learnt from Mrs McLanlan.
