

# Primary 5 Reflection

## Looking Back

As we approach the end of the school year, it is important to reflect on everything you have done and achieved. Even if you think there isn't much, a closer look often reveals just how far you have come and how much you have taken part in!

<b>Area of School Life</b>	Consider what you have taken part in and/or achieved. Where have you made the most progress? What have you enjoyed? What have you found most difficult or challenging about this?	What would you like to achieve or take part in next year? Is there anything you will focus on? How will you build on this? Do you have any goals?
