3. Which day is **before** Wednesday?
4. Which day is **after** Saturday?
5. Which day is **after** Tuesday?
6. Which days make up "**the weekend**"?

Complete:

Wednesday , Thursday, _____, Saturday

Saturday, Sunday, _____, Tuesday

Friday, _____, Sunday

Months of the year

January February March April May June
July August September October November December

1. Which month are we in the now?
2. Which month is **before** April?
3. Which month is **before** December?
4. Which month is **after** February?
5. Which month is **after** July?
6. Which month is **between** April and June?
7. Which month is Christmas in?
8. Which month is Halloween in?
9. Which month is your birthday in?
10. Why is September the best month 😊?
11. Which is your favourite month and why?
12. Find out the birthday months of the other people in your family.

Complete:

December, January, _____, March

June, July, _____, September

March, April, May, _____

June, _____, August, September

Remember the rhyme:

30 days hath September, April, June and November

All the rest have 31, except February

Which has 28 days clear and 29 each leap year.
