

INFANT BAPTISM OR CHRISTENING

Parents bring their baby to the Church

Sometimes they go to classes to learn about Christianity.

The baby usually wears special clothes- often they are white

The minister pours water over the baby's head.

He draws the shape of the cross as a reminder that the baby has new life in Jesus.

The font holds the water.

Godparents are special friends who have been chosen to show a special interest in the baby and who promise to help them to grow up and follow God.
