

Friday 22 September 11am

Share our learning.

You are invited to our first Sharing Our Learning (SOL) session of this year.

You will have an opportunity to see some of the learning which your child has been involved in at the start of this session and to help them to set targets to improve and progress.

SOL is a great chance to spend time sharing learning with your child, talking about their progress and next steps and understanding more of what they are learning before parent appointments – any member of the family is welcome.

Please complete the slip below and return to school so we know who to expect on the day.

Friday 22 September 11am-12pm

Someone from home will attend the session on **Friday 22 September 11am-12pm**

Child's name: _____

Child's class: _____

Adult's name: _____

Relationship to child: _____
