## NUMERACY

Let's carry on with our time work.

Remember the long hand tells you the minutes. The short hand tells you the hours.

ten o'clock

half past four.

Complete the next page of your time booklet.

### **P3/2 Activities – Monday 23<sup>rd</sup> March 2020**

#### **A note from your teacher**

Please complete these tasks in the jotter or relevant workbook each day. You will be able to share your learning with the class when you return to school.

## OTHER – Materials topic

Materials are anything that can be used to make something. Let's look at the materials around your house.

What are the windows made of? What about the doors? What is your coat made from?

Make a list of the different materials you can find. Write them one under the other in your jotter. Can you find at least 5?

Now think about how they feel. Add one or two adjectives next to each one on your list like this:  
metal – shiny, smooth.

#### Extra

Spend fifteen minutes on Sumdog.
