

## LITERACY

Handwriting – Complete the next page of your handwriting book (blue cover with a pencil). Take your time and think carefully about the size of the letters, sitting them on the line and starting each letter at the top.

(If you can't find your handwriting book then practice writing the days of the week in your jotter. Still take care to make your letters the correct size, start each letter in the correct place and sit them on the line.)

## NUMERACY

Keep working through your time booklet. Try the next page. (You can complete the time pages in your Heinemann workbook if you do not have your time booklet).

There are some time games on ActiveLearn to try.

Continue with the time challenge on Sumdog. There are 250 coins available for everyone who finishes it. The challenge will come up automatically when you log in.

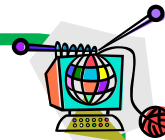

### **P3/2 Activities – Friday 27<sup>th</sup> March 2020**

#### **A note from your teacher**

Please complete these tasks in the jotter or relevant workbook each day. You will be able to share your learning with the class when you return to school.

## OTHER – Reflection

It has been the first week of working at home and it has been strange for everyone. Think about the things you have enjoyed about being at home so much. Write in your jotter one thing that you have enjoyed this week. It could be something you enjoyed learning or something that you liked doing at home.

You could also draw a picture to match your writing if you would like.

#### Golden time

Take some time away from a computer or TV to play with your toys. What game could you play?
