## NUMERACY!

Today we are going to practice saying and writing the number word before and the number word after different numbers. Cut up your number cards from your pack and you can use these. Pick a card from the pile and say the number that comes before and after. Do this for 10 different numbers and write them in your jotter e.g. 15, 16, 17.

(If you don't have a pack ask an adult to tell you some numbers to use at random)

Extension: Can you think of three higher numbers between 20 and 100 and do the same for these, e.g. 87, 88, 89

### P1 Activities 31/03/20

#### A note from your teacher

Please complete these tasks in the jotter provided each day. You will be able to share your learning with the class when you return to school.

#### Challenge

Rhyming – Can you write 3 words that rhyme with each word below?

Bat, bin, pot, sit
