

LITERACY!

Re-read the book you chose this week. Can you summarise what happened in your own words? For an extra challenge, write the summary in your jotter.

I have allocated work for you on Active Learn and you have all week to complete it. Log in with the username and password in your jotter. Copy and complete the sentences with the correct punctuation (capital letters and full stops).

Write your 5 sight words from this week in **bubble writing**.
The words were: in, is, you, that and it.

NUMERACY!

I have set you an addition and subtraction challenge on Sumdog. You have until the end of the day to complete it!

Revise place value by playing the Shark numbers game on Topmarks:
<http://www.ictgames.com/sharkNumbers/mobile/index.html>

If you can't get online, how many hundreds/tens/ones are there in these numbers:
55, 78, 123, 2
Choose some of your own numbers too!

P2 Activities

A note from your teacher

Please complete these tasks in the jotter provided each day. You will be able to share your learning when you return to school.

OTHER!

Topic:

We are learning about springtime weather!
Complete your weather chart this morning and afternoon.

What kind of weather did you see the most this week? Do you think this weather is different in winter/summer/autumn? What have you noticed about daylight in the morning and at night this week?
