

LITERACY

Writing – Today we are going to think about how we explain our answer and give reasons.

Imagine there is only going to be one season for a whole year. Which season should it be – spring, summer, autumn, winter? Why would you choose that season? What is good about it? Why is it better than the rest?

There are some more ideas to think about [here](#).

Reading – If you haven't read your book on active learn and answered the green bug questions try to do so. Some people have a new book to read today.

NUMERACY

If you have not completed your time booklet please try the next page.

Let's carry on with some addition today. Choose level 1,2 or 3 to complete. If you want you can do more than one level.

Level 1 – pick 3 numbers from your number cards. For each number write a sum to add on 1, add on 5, add on 10.

For example $2 + 1 = 3$ $2 + 5 = 7$ $2 + 10 = 12$

Level 2 – pick 4 numbers from your number cards. For each number add on 5, add on 8, add on 11.

Level 3 – pick 4 numbers and add on 10, add on 12, add on 24.

P3/2 Activities – Wednesday 22nd April 2020

A note from your teacher

Please complete these tasks in the jotter or relevant workbook each day. You will be able to share your learning with the class when you return to school.

TOPIC – Looking to the past

We are going to start a new history topic this week about how life has changed in Britain over the last 100 years. We will start off closer to our own time. Think about the answers to these questions.

What are your favourite toys to play with? What are your favourite foods?

What games do you like to play outside? What activities do you do after school?

Ask a grown up at home the same four questions about when they were your age. Are their answers the same? If you can phone or video call an older relative like a grandparent and ask them the same questions about when they were your age. How are their answers different?

PE

Today is a PE day so can you either try Joe Wicks workout or some Go Noodle. Below are some of our favourites from class. Click on the title to play each one.

[Banana, banana meatball.](#)

[Superheroes unite](#)

[Purple Stew](#)

[Knicky Knacky Knocky Noo](#)
