

LITERACY!

Re-read your reading book. Complete activities 1 and 2 on Oxford Owl.

Use the ee words that you revised this week to write as many sentences as you can. Remember full stops, capital letters and finger spaces! Can you use this week's Fry's words in the sentences?

NUMERACY!

I have set an addition and subtraction challenge for you on Sumdog! You have the rest of the week to complete it.

I have also allocated you work on addition and subtraction on Active Learn. Draw a number line in your jotter and complete the task.

Number Talks!

I have attached instructions on how to carry out Number Talks to remind you and so you can show an adult at home what we do in class! Here are today's sums:

$$7+7$$

$$7+8$$

$$7+9$$

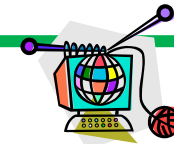

P2 Activities

A note from your teacher

Please complete these tasks in the jotter provided each day. You will be able to share your learning when you return to school.

OTHER!

Topic:

Continue to compare the weather in Scotland to the weather in the country you chose.

Art:

I have seen lots of lovely rainbows in people's windows to say thank you to the NHS for the wonderful job they are doing. Talk to an adult about the NHS and what they do.

Make a rainbow for your window. You could draw one with pen or pencil, or you could use other materials at home like tissue paper/pom poms/cut outs from magazines or newspapers/paint to create a rainbow of your own.
