

LITERACY

Reading – Apples and bananas – you should have your inferring booklet in your pack (the one where you read the passage and decide how the person is feeling and then highlight the words that tell you how you know). If you have it please complete the next page. If not then do the task below.

Oranges and pears - Rhyming words are important as they help us read and spell words we don't know. For each word try to write two more words that rhyme for example – sit, hit, fit.

NUMERACY

If you have not completed your time booklet please try the next page.

Let's work on some subtraction today. Choose level 1,2 or 3 to complete. If you want you can do more than one level.

Level 1 – pick 3 numbers from your number cards. For each number write a sum to take away 1, take away 2, take away 3. If you cannot take away from your number then choose a new one. For example $8 - 1 = 7$ $8 - 2 = 6$ $8 - 3 = 5$

Level 2 – pick 4 numbers from your number cards. Make each number a teen number so 2 becomes 12, 6 becomes 16 etc. Now take away 2, 5 and 7 from each number. For example $15 - 2 = 13$ $15 - 5 = 10$ $15 - 7 = 8$

Level 3 – pick 4 pairs of numbers (eg 3 and 7 could be 37 or 73) and take away 2, 5 and 7 eg $37 - 2 = 35$ $37 - 5 = 32$ $37 - 7 = 30$.

TOPIC – Looking to the past

Timelines are very important when we think about the past. We start from a date and think about the things that have happened since then. We write them in a line with the date and what happened marked on it like

this: . Have a go at making your own timeline. Think about when you were born, when you started school, if you have a younger brother or sister when they were born, maybe you go a pet or moved house or went on a special holiday. Try to add at least four events to your timeline.

PE day

Today is another PE day – try to either spend time outside or do Joe Wicks PE workout or Just Dance.
