

LITERACY

Spelling – Complete the next sound in your spelling book.

Apples and bananas – ai sound.

Oranges – i and n pages.

If you do not have your spelling book try to think of at least 5 words with the sound and write them in your jotter with pictures. Can you use one of your words in a sentence.

Reading – Log on to Active Learn and you will find your new reading book in 'my stuff'.

NUMERACY

We are all at slightly different points in our time work now so if you have pages left in your booklet keep going, doing a little bit every day.

This week we are going to learn revise 2d shapes and learn about 3d shape. As I mentioned on the blog I have had a go at making a little video using powerpoint so please [click here](#) to go to it. There is a small problem moving on from the second slide that I couldn't fix so it does move eventually but you might want to move the video on a bit!

The slides for the powerpoint can be found [here](#) if you want to go back and look at any of them. The sound will not work on them.

P3/2 Activities – Monday 27th April 2020

A note from your teacher

Please complete these tasks in the jotter or relevant workbook each day. You will be able to share your learning with the class when you return to school.

HEALTH AND WELLBEING

We started to look at medicines and when we needed them. We also thought about the other things we could do to make ourselves feel better without using medicine.

[Click here](#) to take a look at a worksheet about medicine. Talk to an adult about which pictures are medicine and which are not.

Try to fill in the sentences with the missing words. You can talk about it or write it.

Remember medicines are dangerous and you must only take medicine that a trusted adult gives you.

FRENCH

Let's practice our counting and days of the week and months of the year. Click the title.

[Head, shoulders, knees and toes](#)

[Parts of the body](#)

[This one is a bit different but still has parts of the](#)
