

Art example from the video:

My example:

You can even just colour in the different spaces with one colour rather than making a pattern with two colours.

Chapter 23

Coloured Pencils will be needed

Patterns

Be able to recognise shapes, patterns and continue them.

You can make patterns using shapes, colours and lines.

Exercise 1

Worksheet 23.1

1. Draw and colour the next 2 shapes in these patterns :-

a

.....

b

.....

c

.....

LITERACY

Tricky Words

Have a look the first page of your purple tricky word pages and practice reading them. Which ones do you find really tricky?

Task: Please complete the pages on 'the' and 'to' in your tricky words book 1 booklet. I know some of them require playdoh etc. but please just practice writing out the word in the box. Practice is only going to help 😊

NUMERACY!

Patterns

Today we are going to be looking at patterns as a little reminder activity.

Please look over the drawing patterns example at the top of the worksheet attached! Then I would like you to complete questions 1a-c in your jotter! If you don't have coloured pencils don't worry just draw out the shapes 😊

Extension: Can you come up with your own shapes and colour patterns?

OTHER – Art 😊

Today I would like you to have a go at this art activity.

Please watch this video linked below, can you create a piece of art work like this using different colours and shapes, doesn't have to be cool and warm colours either! I can't wait to see what you produce!! Examples attached, I had so much fun making one 😊

P1 Activities 01/05/20

A note from your teacher

Please complete these tasks in the jotter provided each day.
