Feeding the Owlets Sharing Sheet

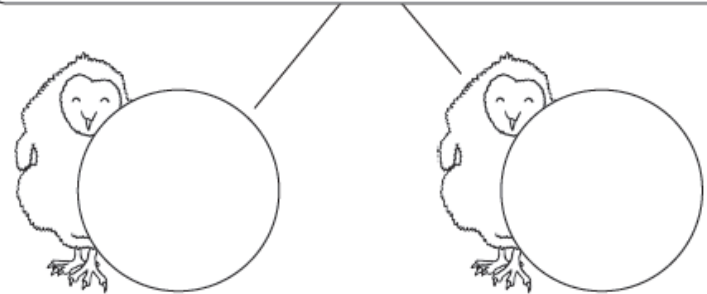

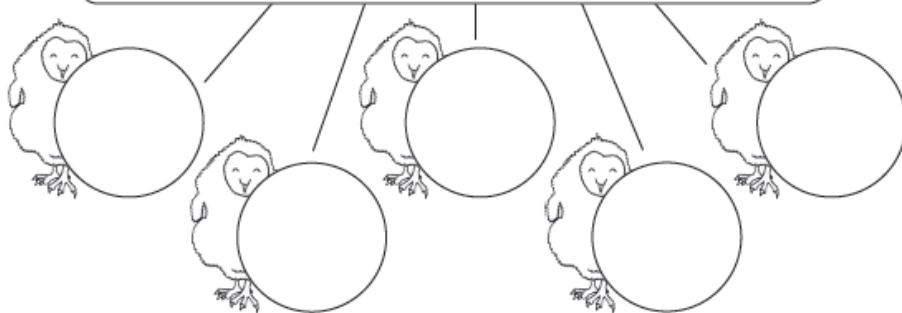

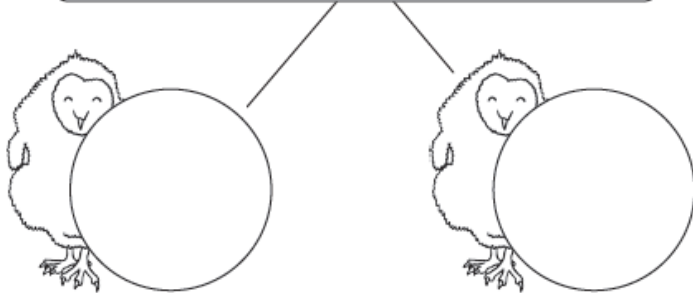

Can you share the mice equally between the owlets? Write the number of mice in each circle.

LITERACY

Writing - Mr Twit's Meal

Here is my example:

In my meal for Mr Twit, there are **long, skinny** worms with a dusting of **dirty** leaves on them. I have also have added 10 **blue** flies and some **green** snake eyes.

Today is writing day and we are doing to use some adjectives (describing words) to describe what you would make for Mr Twit if you had to make his dinner. Here is Mr Twit to the left. He is a horrible, old man. I would like you to first draw a picture of a horrible meal for Mr Twit and then describe in a few sentences what was in it (if possible underline the adjectives, try for one in each sentence).

I can't wait to hear the gruesome meals you guys come up with.

NUMERACY!

Division

We are looking at dividing today into equal groups. I am very impressed with what I have seen so far! Let me know how you are getting on with it ☺

Please complete one of the sheets above by writing in on the worksheet or copying and completing.

Extension: Have a go at writing the sums out for the questions.

OTHER!

At home discuss all the people in the community who help create a safe and healthy environment for you to live in e.g. dog wardens/police.

Challenge

Please challenge yourself by playing at least 15 minutes of SumDog today

P1 Activities 07/05/20

A note from your teacher

Please complete these tasks in the jotter provided each day.
