

## LITERACY

### Tricky words

Please have a go at reading some of the tricky words that are in your pack! Are there any that you know now that you didn't before?

Write 5 tricky words you have been practicing in your jotter ☺

### Tricky word bingo

One of our favourite games to play in class. Why don't you teach someone at home. All you need is two pieces of paper or use your jotter. Make 2 or more games boards like we do in class (as shown below). Write 6 tricky words and then you can make a pile of tricky word flashcards from you pack. Turn one over at a time and cross out on your board if you have it! Will you be the winner?

I'd love to see pictures of your TW bingo game boards! Show me on your learning journal ☺

## NUMERACY!

### Ordering

Today I would like everyone to have a go at some ordering. Please spend around 20 minutes on the TopMarks website playing the ordering games. You can work your way up the levels if you want to challenge yourself.
