

LITERACY!

I have allocated you a book each on Active Learn. Please log in and you should see the book from the Bug Club books that you have been allocated.

Read your book aloud for someone at home.

Choose your own book on Oxford Owl for some extra reading practice!

I have set you a sight words challenge on Sumdog based on the Fry's words we have been revising so far. You will have to play a short introduction game on Sumdog first and then you will be able to see the challenge.

OTHER!

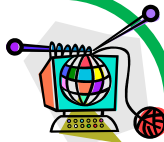

French:

Let's remind ourselves how to sing Heads, Shoulders, Knees and Toes in French:

Watch this video, sing along and do the actions!

Continuing our work on number bonds, choose one of the following worksheets to either print or copy and complete:

Hot: [Number bonds to 100 robots](#)
