

## LITERACY

Grammar – Today we are going to work on using prepositions. These are the words that tell us where something is like *in*, *under*, *behind*. There are a choice of two worksheets which you can either print and complete or write the answers in your jotter.

Sheet 1 [click here](#)

Sheet 2 [click here](#)

If you cannot open the work then choose three of these words and use them to write your own preposition sentences.

in, out, under, in front, behind, over, near.

## NUMERACY

This week we are going to finish off a few things. If you still have pages in your time booklet or shape work please try to finish them this week.

Circles – please carry on with your subtraction book.

If you have done everything then I have a question sheet for you to try ([click here](#)). Choose your own level – mild is the easiest, hot is the middle and spicy are the hardest questions. You only need to do one groups of questions although you can do more if you want to.

### P3/2 Activities – Thursday 7<sup>th</sup> May 2020

#### A note from your teacher

Please complete these tasks in the jotter or relevant workbook each day. You will be able to share your learning with the class when you return to school.

## TOPIC – Looking to the past

Today we are going to continue to think about VE day and how life was very different 75 years ago.

During the war the army used morse code to send messages to other groups of soldiers. Morse code is made up of groups of dots and dashes to represent each letter. You can find out more about morse code and hear what it sounds like in this video ([click here](#)). The morse code alphabet is [here](#). Have a go at writing your name in morse code. Leave a space between letters and a / to mark the end of a word. Challenge – can you write your birthday in morse code?

Extra - A spitfire was a very famous plane in World War 2. Here is an activity to help you make your own spitfire plane if you would like to. Colour ([click here](#)) Black and white ([click here](#))

#### PE day

Today is another PE day – try to either spend time outside or do Joe Wicks PE workout or Just Dance.
