

LITERACY!

Re-read your book on Active Learn.
Write a summary of the book in your jotter.

Include information like:

- Where the story was set
- Describe the main character
- Describe the main event
- What happened at the end of the story?
- Did you like the story?

The sight word challenge on Sumdog finishes today!

Make sure to have a go!

OTHER!

Health and Wellbeing:

Tonight at dinner time ask if you can set the table to include everyone. You might want to make place cards for where people have to sit! Or what about a menu card for everyone! Be as creative and inclusive as you can be! Also, you could create some "Dinner Table Rules" and agree which you are going to follow all the time e.g. clearing your plate /cutlery away.

P2 Activities

A note from your teacher

Please complete these tasks in the jotter provided each day. You will be able to share your learning when you return to school.

NUMERACY!

Use your number cards to make all of the number bonds to 10 (e.g. 1 and 9).

Now make all of the number bonds to 8 (e.g. 4 and 4).

Do the same for another number of your choice.

CHALLENGE!

Today is VE day. That means it is the 75th anniversary of the Second World War ending in Europe.

Watch this video and discuss your thoughts with an adult:

[VE Day](#)

On this day all those years ago, people celebrated by having big street parties. Design some bunting you would display if you were celebrating VE day at a street party.

You can share work with me either by emailing the school office or on the online Learning Journals by using the Wider Achievements at Home section. There is a free app too!
