

LITERACY

Handwriting – Complete the next page in your blue handwriting book. Look carefully at the size of the letters and which lines they touch. Try to keep your letters sitting on the big thick middle line.

If you do not have your handwriting book then try writing these words in your jotter. They all have hanging letters so the top part should sit on the line and the tail hangs down.

green goes great goat pin apple purple pink point

Reading – Log on to active learn to find your reading book. If you want a new book have a look on Oxford Owl and choose one there,

NUMERACY

If you have pages left in your time book then try to complete the next page. Circles – keep going with your subtraction book.

Spend some time today playing games on Sumdog or active learn. You also have your shape challenge to complete on Sumdog.

Spend some time today practising your skip counting – count in 2s, 5s, 10s, 3s and if you have time you could try 4s. Try writing the sequence in your jotter or on a piece of paper to help you remember them.

P3/2 Activities – Friday 8th May 2020

A note from your teacher

Please complete these tasks in the jotter or relevant workbook each day. You will be able to share your learning with the class when you return to school.

OTHER – Looking to the past

Today is the 75th anniversary of VE day. It is important to know that while VE day meant that the war was over in Europe it did not finish totally on this date. Fighting continued in Japan until August 1945 and the 75th anniversary of VJ day (Victory in Japan day) will be on August 15th.

Today I would like you to design a special VE day medal. Soldiers, pilots and sailors who were involved in the war earned medals and you can see on the sheet [here](#) the medal that was given at the end of the First World War. Use these ideas and your own to design your special 75th anniversary VE day medal. You can draw it in your jotter, print off the sheet and colour it there or make it using things you have at home. I would love to see your medals on your learning journals.

GOLDEN TIME

It is golden time today. Try to take some time to relax and step away from a computer screen, TV or tablet and do something else. Are you going to build with Lego? Draw or maybe do a jigsaw? Play with figures?
