

STEM Challenge Cards

Create a catapult which can be used to fire a chosen projectile without the operator either touching the object or propelling it forward with their own power.

Competitions – Which catapult can launch the projectile the furthest? Which catapult is the most accurate when firing at a given target?

STEM Challenge 😊

1. The cat is pretty.
2. I have long legs.
3. She found a shiny shell.
4. The happy penguin looked up.
5. The big elephant drank water.
6. The dog had fluffy fur.

Read the sentences and circle the adjective in each of them.

## LITERACY

### Grammar

We are going to look at adjectives again today! Remember adjectives are describing words, they describe the noun (naming word). Please complete the activity attached above.

Extension: Can you choose 3 sentences and rewrite them with different adjective in them?

Looking forward to seeing more great work!

## Other

### STEM challenge attached

Please share a photo of your challenge on your learning journal if you can!

## NUMERACY!

We have been working on telling the time recently and today I would like you to have another quick practice of this! Look at the clocks below and write down or talk about which time is shown!

-using the words **o'clock** and **half past**

I would also like you to practice saying the days of the week! This is a very important skill and one we need to keep practicing! Please firstly practice saying the days of the week in order and then complete the maths worksheet above.

### **P1 Activities 13/05/20**

#### **A note from your teacher**

Please complete these tasks in the jotter provided each day.
