Look at the following pictures and write down the word to match them.

For an extra challenge, use each of these words in a sentence.

You can share work with me either by emailing the school office or on the online Learning Journals by using the Wider Achievements at Home section. There is a free app too!

## NUMERACY!

This week we will be working on place value. I have set you a place value challenge on Sumdog and you have until Friday to complete it.

Here is our favourite place value game:

## P2 Activities

### A note from your teacher

Please complete these tasks in the jotter provided each day. You will be able to share your learning when you return to school.

## OTHER!

PE:

If possible, go outside for some PE today.

To warm up, jog on the spot and do some star jumps. Take a ball with you and see how many times you can throw and catch the ball with someone at home. Can you beat a score of 20? Practise the chest pass that we learned in basketball (remember the ball starts at your chest and your hands make a W shape).
