NUMERACY!

Today I would like you to play a game! I would like you to either print or make your own snakes and ladders game! I would like you to discuss the rules of the game with an adult.

Before playing the game I would like you to answer the questions either by writing in your jotter.

Other - Music

This week's Music and Me video session in the Children's Space is about Following Instructions, Comparing Loud and Quiet sounds and moving to different styles of drumming!

Have fun and I'd love to see some pictures if you manage to make any shakers!
