

LITERACY!

I have allocated you a new book on Active Learn. Log in and read your book with someone at home.

This week we are revising the th sound. Watch this video to remind you of the th sound: Th song

Write down as many th words as you can.

Choose 3 th words and write a sentence for each of them.

NUMERACY!

This week we are going to learn about multiplication!

Here is a video to help you understand:

<u>Multiplication</u>

When we multiply by 2, it is the same as doubling!
Use items you have at home like pencils/blocks/beads/Lego etc to work
out how many you would have in total if you had:

2 lots of 2

5 lots of 2

8 lots of 2

2 lots of 3

6 lots of 3

Write this the way I did in the video, using the multiplication sign (eg.

$$2 \times 3 = 6$$

P2 Activities

A note from your teacher

Please complete these tasks in the jotter provided each day. You will be able to share your learning when you return to school.

OTHER!

Look at the pictures in the document below and talk to an adult about them. Which toys do you play with now? Which toys did your parent/grandparent play with when they were your age? Are there any toys that you play with now that your parent/grandparent played with in the past?

Pictures of Tous

Make a table to show the toys you play with now, toys from the past and toys that fit in both!

For example:

Toys I play with	Toys my parent/grandparent played with	Toys we have both played with
