MONEY

We are going to recap our knowledge of money. You could:

- Borrow some coins from a grownup and set up a toy shop or kitchen. Practice adding up the prices and giving change. (Up to 20p, 50p or £1)
- Go on a coin hunt: colour and complete the **Coin Detectives** sheet. Can you match some actual coins to the ones you've coloured?
- Show different ways to make amounts of money on the **Show Me The Money** sheets – you could use real coins or draw them.
- Try this Topmarks game: you can choose to sort, order or count coins (just make sure you're using British money!)

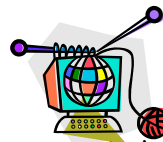

P2 Activities

A note from your teacher

Please complete these tasks in the jotter provided each day. You will be able to share your learning when you return to school.

PE!

You could choose a favourite Cosmic Yoga or Just Dance routine today, or join in with Joe Wicks <https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

OR

Find someone to practice throwing and catching with. Be careful inside though – you could throw bundled up socks instead of a ball.

Or you could try a game of monkey (or piggy!) in the middle. Two people throw the ball to each other, and the third person in the middle tries to catch it instead.

If they catch it, the thrower becomes the new monkey!
