

LITERACY

<u>Reading skills</u> — Today we are going to work on inferring. Remember when we infer we need to be detectives and look for clues to tell us what is happening.

<u>Click here</u> for today's worksheet. We are taking a trip to the mountains and while this is reading work we are not going to read any words (other than the questions). We need to read the picture to answer the questions. You can print the sheet and answer the questions, write the answers in your jotter or talk about it with an adult.

<u>Reading</u> – Don't forget to look at your second reading book this week.

NUMERACY

We are going to carry on with division today. Today we are going to carry on making small groups and then finding out how many groups we have made. All the division videos are still on youtube and you can go back and watch them at any time if you need a reminder. Keep using those concrete materials (Lego, cut up paper, pencils, counters etc) to help you with the work.

Mild - <u>click here</u> Hot - <u>click here</u> Spicy - <u>click here</u>

If you have time have a go at the games on Sumdog or Active Learn.

P3/2 Activities - Thursday 21th May 2020

A note from your teacher

Please complete these tasks in the jotter or relevant workbook each day. You will be able to share your learning with the class when you return to school.

TOPIC - Looking to the past

Today we are going to continue learning about the history of toys.

Yesterday I asked you to make a table of which toys you play with, your parents played with and which you thought were older than that and today we are going to check how well you did.

Here is a timeline of some popular toys (<u>click here</u>). Start at the top and run your finger down the dates. Here is a video about the history of toys as well (<u>click here</u>). Do any of the toys surprise you with how long they have been around?

Talk to an adult about your answers from yesterday and what you have found out. You could even choose 5 of the toys to make your own timeline for like we did for ourselves a few weeks ago.

PE day

Today is another PE day – if you want a change from Joe Wicks or Just Dance why not do some yoga? Try one of these themes.

<u>Frozen</u> <u>Star Wars</u>

Minecraft Moana
