

## Project due Friday 29<sup>th</sup> May 2020

The 'Other Section' of the Home Learning Grid is to prepare a mini project over the next few weeks. This is in place of a class talk that would normally be at this time of the year.

Children have to pick their favourite animal that they want to research about.

The project will have a daily question to answer or a task to complete that will be gathered together at the end to make a poster.

At the end you can send a photo on your journal of your final poster for Miss Duncan to see. I am very excited to see them by photo or when you bring them to school when we return. If you want to send a video like a school talk to the journal or school email, I would love to hear them.

Adults can help you find the information but try and do most of the poster yourself.

If the schools open before the summer you will be able to show and tell your poster to the class.

Success Criteria (What I am looking for):

- I can make my poster clear.
- I can see pictures/photos labelled.
- I can answer the questions that my teacher asks.

Any questions you can email the school office, write a comment on the Blog or write a comment in your journals.

If you need a large bit of paper for your poster you can email/comment to let me know or just ask at the school when you collect your lunch between 12-1.30pm.

Tuesday 19<sup>th</sup>

- Choose an animal and write the word in bubble writing (practice for the Title of your poster)

Wednesday 20<sup>th</sup>

- What does your animal look like? Use adjectives for description. Draw a picture.

Thursday 21<sup>st</sup>

- Where does the animal live?

Friday 22<sup>nd</sup>

- How long they live for?

Monday 25<sup>th</sup>

- What does the animal eat?

Tuesday 26<sup>th</sup>

- Find an interesting fact about your animal

Wednesday – Friday

- Start putting all the information clearly and neatly on a poster. It is your choice how, be creative.
- Make sure it has a clear title.
- Answered the questions
- Clear information
- Bright
- Pictures
- Name on the back of the poster
