

LITERACY!

Re-read your book on Active Learn out loud.
Summarise the book for someone at home.

In case you missed it yesterday, here is a video for you to practise all of your sounds! Save the link and you can practise them at any time:

[Sounds Video](#)

Look, read, cover, spell and check your next 5 Fry's words (but, not, what, all, were).

We have talked lots about adjectives (describing words). What adjectives can you think of?

Complete this exercise on adjectives. Write the descriptions in your jotter (e.g. 1. A tall man).

[Adjectives](#)

P2 Activities

A note from your teacher

Please complete these tasks in the jotter provided each day. You will be able to share your learning when you return to school.

NUMERACY!

Listen to this song to help you practise skip counting in 2s:

[Counting in 2s](#)

If you wanted to work out 2×3 (or 3 lots of 2) you would count up in 2s three times! So it would go 2, 4, 6!

Using your knowledge of counting in 2s, work out the following sums:

$$2 \times 8 \text{ (8 lots of 2)}$$

$$2 \times 5 \text{ (5 lots of 2)}$$

$$2 \times 7 \text{ (7 lots of 2)}$$

$$2 \times 2 \text{ (2 lots of 2)}$$

$$2 \times 6 \text{ (6 lots of 2)}$$

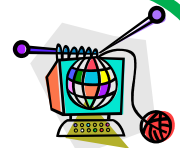

$$2 \times 9 \text{ (9 lots of 2)}$$

Use objects you have at home to help you.

I have set you a challenge on Sumdog. You have until Friday to complete it!

OTHER!

Science:

Today we are going to try to make a hotel for some bugs! Follow the instructions below. If you don't have a plant pot then you can use an empty container!

[Bug Hotel Instructions](#)

I'd love to see pictures of your creations and to hear about what bugs you can find!
