

LITERACY

Writing – We are going to continue with our instructions work this week. On Friday I asked you to learn how to make your bed and this week I want you to write instructions to do that.

[Click here](#) for the instructions on toast if you need a reminder on how to lay out your instructions. Remember to take a new line for each new instruction. Remember to use time words like first, next, then and number each instruction.

Words you might need – pull, throw, plump, lay, smooth.

Reading – Log on to your active learn account for this week's books.

NUMERACY

Today is the last day that we are going to focus on fact families for multiplication and division. There is a blank family sheet here for anyone who would like to use it ([click here](#)).

Mild – division worksheet ([click here](#))

Hot – Try to write a fact family for each of these sums:

$$3 \times 4 = \quad 5 \times 2 = \quad 2 \times 7 = \quad 4 \times 10 =$$

Spicy – Try to write fact families for four of these numbers. Imagine they were the top of the triangle, what two numbers multiply to make it? For example 6 could be 6×1 or 3×2 .

12 20 18 16 30 50

P3/2 Activities – Wednesday 27th May 2020

A note from your teacher

Please complete these tasks in the jotter or relevant workbook each day. You will be able to share your learning with the class when you return to school.

TOPIC – Looking to the past

We are carrying on learning about the history of toys this week and we are going to look at one of the most popular toys – the teddy bear. Some people have an actual cuddly bear and other people have dogs, cats, unicorns, fish – pretty much any animal you can think of. However the teddy bear was the very first cuddly toy.

Have a read of these slides all about the history of the teddy bear ([click here](#)).

Tell an adult or write a few sentences in your jotter about the teddy bear. How did it get its name? When was the first one made? Do you know any famous bears? How have teddy bears changed over the years?

PE

Today is a PE day so can you either try Joe Wicks workout or some of these themed exercises.
