LITERACY!

P1 and P2 – writing day

We are going to begin to create a simple Comic strip in stages.

First we need to create a character.

- Who is your story about? Is your character a human or a fierce lion?
- Next sketch/draw your character a few times Draw him/her happy, sad, and angry. What does he/she look like running or jumping? Make 3 quick sketches of your character doing different things. Label what they are doing in each sketch?
- Next time we will think about the plot/story.
