

LITERACY

Spelling – Complete the next sound in your spelling book.

Apples and bananas – ar sound (pages 20 and 21). We are going to miss out the other two oo pages but you are welcome to complete them if you want.

Oranges – o page 13.

If you do not have your spelling book try to think of at least 5 words with the sound and write them in your jotter with pictures. Can you use one of your words in a sentence.

Reading – Log on to Active Learn and you will find your new reading book.

NUMERACY

This is the last week we are going to work on division. As promised we are going to learn about remainders and I have made a video ([click here](#)) to explain what a remainder is and how we record it.

All three pieces of work are on division today but only the spicy one has remainders.

Mild – [click here](#)

Hot – [click here](#)

Spicy – [click here](#)

I have set a new Sumdog challenge on a variety of things.

P3/2 Activities – Monday 1st June 2020

A note from your teacher

Please complete these tasks in the jotter or relevant workbook each day. You will be able to share your learning with the class when you return to school.

HEALTH AND WELLBEING

This week we are going to learn a little about internet safety. We are all using the internet a lot more right now so it is important that we are very careful about what information we are posting.

Some of you will have seen this video before but I think it is such an important message that I would like everyone to watch it again ([click here](#)). Once you are finished in your jotter write down three things that you must remember when you are online. We will continue this work tomorrow.

FRENCH

I have another video for you today from Mr Innes. Today we are going to learn the words for some pets and a song about what pet you have.
