

'ch' Phoneme Spotter Story

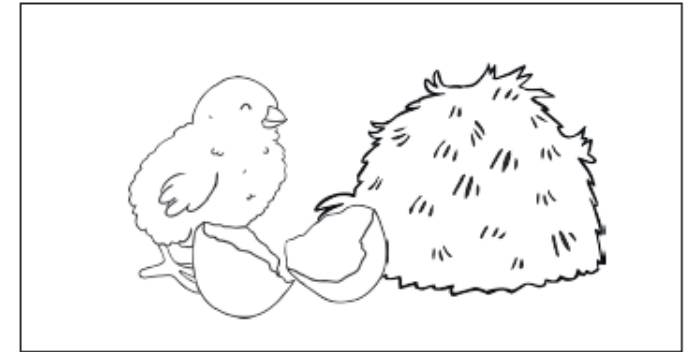

Chuck the Chick

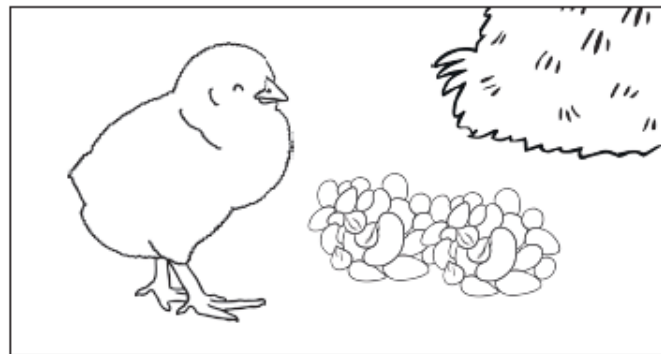

On a farm, near the coast, a farmer kept animals. He had dogs, cats, sheep, goats and hens.

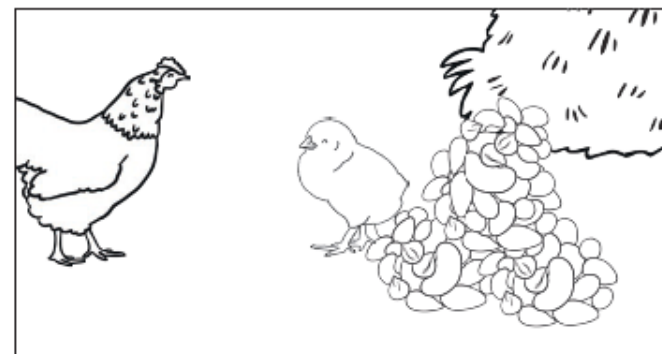

The hens laid eggs. In the winter, a red hen laid a big egg.

The egg got such a big crack in. In the egg, was a soft chick. Chuck was the chick. His mum fed him and got him a soft bed.

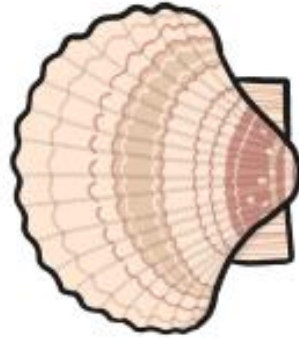

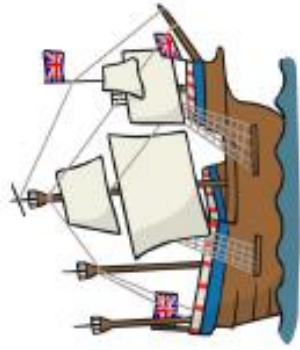

For his dinner, Chuck had seeds and nuts. The seeds and nuts went 'crunch'.

He had such a lot of food. His mum had to check he did not munch too much.

LITERACY

Ch sound revision

Last week we had a look at the 'sh' sound! This week we are going to have another look at the 'ch' sounds!

Have a read through the story with an adult attached above! Can you write in your jotters any 'ch' sounds you find. Or if you can print it off then you can just highlight any words with the 'ch' sound in them ☺

Can you write a few different sentences with the words you have found?

Extension: Copy and complete the 'sh' and 'ch' worksheet above.

NUMERACY

Missing numbers (Missing addends)

Today I would like to look at addition sums with missing numbers. Sometimes a sum may give us the answer and we have to work out what is missing.

I have attached onto the blog post a powerpoint that has questions you can have a go at. But first I would like you to watch this short clip to explain more to you! I would like you to use all the strategies we use in class to help you e.g. counting on, drawing a picture, using a number line!

Remember all the work we did with our cubes to combine and partition numbers, this will help! (Combine: put them together and partition: take them apart) ☺

OTHER

For our sports week I want everyone to make sure they get their 1 hour of exercise a day (your activity tracker will help you remember all your activities)

For the next 4 days I would like you to go on the link below and to choose at '10 min shaker'. These are a great way to kick start your activity hour! Please share photos on your learning journal or via school email. <https://www.nhs.uk/10-minute-shake-up/shake-ups>

Challenge

Can you think of
5 'ch' words and
5 'sh' words?
