

LITERACY!

P1 and P2 – writing day

We are going to begin to create a simple Comic strip in stages.

Next we need to think about the plot/setting of the comic.

What does the character you created want?

1. Plan your story by first deciding what your character wants or goal is. (for example, the dog wants a bone from the pet shop window)
2. Next there needs to be an issue/problem for your character (for example, the bone is sold)
3. Use the extra sheet on BLOG to help you to begin to plan and write sentences to explain.
