$$8 - \square = 2 \quad 9 - \square = 7$$

$$9 - \square = 5 \quad 7 - \square = 6$$

$$8 - \square = 4 \quad 8 - \square = 6$$

$$9 - \square = 3 \quad 7 - \square = 4$$

$$5 - \square = 2 \quad 6 - \square = 3$$

$$6 - \square = 2 \quad 8 - \square = 5$$

Missing Subtrahends

$18 - \square = 15 \quad 17 - \square = 13$

$16 - \square = 14 \quad 18 - \square = 14$

$19 - \square = 17 \quad 16 - \square = 12$

$17 - \square = 15 \quad 17 - \square = 12$

$15 - \square = 12 \quad 16 - \square = 13$

$18 - \square = 12 \quad 15 - \square = 13$

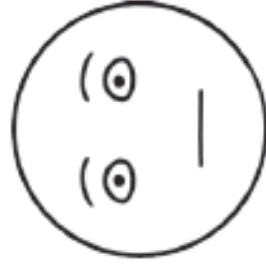

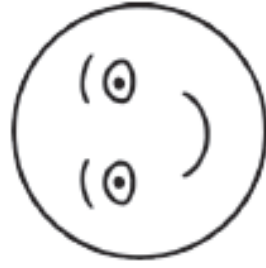

$17 - \square = 14 \quad 18 - \square = 13$

$19 - \square = 14 \quad 19 - \square = 16$

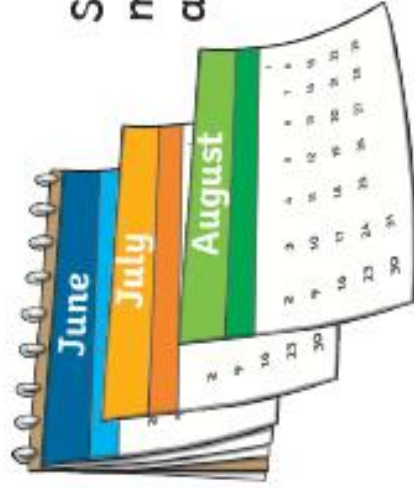

Questions

1. What months are in summer?

2. How often are there thunderstorms in summer? Tick **one** answer.
 often
 never
 sometimes
3. Summer is the warmest season. True or false?
 true
 false
4. Number the sentences to show the order they come in the text. The first one has been done for you.
 Sometimes there are thunderstorms!
 1 The months June, July and August are in summer.
 In summer the sun rises early in the morning and sets late at night.
 Summer is a great time for spotting flowers, insects and wildlife.
5. Do you like summer? Colour **one** face.

Summer

Summer is a season. The months June, July and August are in summer.

Summer is the warmest season. The weather can be hot and sunny. However, it can still rain in summer. Sometimes there are thunderstorms!

In summer the sun rises early in the morning and sets late at night. This makes the hours of daylight long.

Summer is a great time for spotting flowers, insects and wildlife.

LITERACY

Comprehension

Today we are going to work on our understanding of texts! I would like you to ask an adult to read you the page on 'Summer' to you. I need you to be listening carefully! After that, I have attached some questions for you to answer. You can either just tell your adult the answers and they can jot them down or you can have a go at writing them in your jotter!

Have fun!

NUMERACY!

Missing Numbers

We are going to have some more practice on our missing numbers work! Let me know which strategies you guys have a go at using. It could be using items and taking some away it could be jumping back on a number line!

There are two pages of question above, please choose one and try one column of questions. I you want to challenge yourself try the full page!

OTHER!

Expressive Arts week: Art and Music

Make your own musical instrument using junk. You could try putting rice into an old plastic bottle to create a shaker and decorate it.

Challenge

Complete Page 1 of your 'number Bond sticks' mini workbook that is in your pack!

P1 Activities 09/06/20

A note from your teacher

Please complete these tasks in the jotter provided each day.
