

## LITERACY

Spelling – Complete the next sound in your spelling book.

Apples and bananas – or sound (pages 22 and 23).

Oranges – c page 14.

If you do not have your spelling book try to think of at least 5 words with the sound and write them in your jotter with pictures. Can you use one of your words in a sentence.

Reading – Log on to Active Learn and you will find your new reading book. in 'my stuff'.

## MATHS

Today we are going to learn about area. Area is how much space something takes up so is similar to volume.

If you have the blue 2 shape, measure and data handling book (with the butterfly) please try pages 21 and 22. If you do not have counters then you could try pennies to measure page 21 or just go straight to page 22. When you draw your own shapes on page 22 make sure your squares are all joined together to make your shape.

If you do not have this workbook then try these sheets ([click here](#)).

## P3/2 Activities – Monday 8th June 2020

### A note from your teacher

Please complete these tasks in the jotter or relevant workbook each day.

## HEALTH AND WELLBEING

For the next few weeks we are going to have a good think about ourselves and our achievements and challenges over this school year. It has been a very strange year and none of us expected it to end the way it has but we have all learned a lot about ourselves and how resilient we are and how we can adjust to changes.

Today I want you to remember that we are all unique and there is nobody quite the same as me or you. This can be hard to remember sometimes but I want you to fill out this sheet ([click here](#)) all about you and what you like best.

## FRENCH

I have another video for you today from Mr Innes. Today we are going to revise some parts of the body thanks to Mr Innes and a few songs about the body.
