

## LITERACY!

Re-read your book on Active Learn. Answer the following questions:

Where is the book set?

Who is the main character?

Are there any other characters?

Did you like the book? Why/why not?

Look, read, cover, spell and check your next 5 Fry's words (there, use, an, each, which).

We are going to revise nouns today. Remember a noun is a person, a place or a thing. Go on a noun hunt and use this sheet to record what you find:

[Noun Hunt](#)

Remember, if you are writing the name of a person or a place you need a capital letter at the beginning (e.g. Hannah/ Edinburgh) and we call this a proper noun.

## NUMERACY!

I have set you a revision challenge on Sumdog! You have all week to complete it.

We are continuing to look at division or equal sharing today. Here is the video from yesterday to help you understand splitting things into 2 groups. We call this dividing something by 2, or splitting it in half.

[Dividing by 2](#)

Complete this exercise by using objects at home like beads/counters/Lego/pencils etc to help you:

[Dividing by 2 questions](#)

For an extra challenge, try these word problems:

[Division by 2 word problems](#)

## **P2 Activities**

### **A note from your teacher**

Please complete these tasks in the jotter provided each day. You will be able to share your learning when you return to school.

## OTHER!

### STEM/PE

Today we are going to make some sports equipment out of recycling! Follow this link to find the instructions and what you will need:

[Build Your Own Sports Equipment](#)

You could build a hockey stick/tennis racket/basketball hoop and so many more things! I would love to see pictures of your creations.
