

LITERACY

<u>Grammar</u> – Today we are going to learn about **adverbs**. An adverb tells you more about a verb so you might shout **loudly**. Shout is the verb, loudly is the adverb. Or you could paint beautifully. Paint is the verb, beautifully is the adverb. This video will explain it a bit more (<u>click here</u>).

Here is today's work. Can you think of an adverb for each picture? (Click here)

<u>Reading</u> – Log on to the Active Learn website and read your new book.

NUMERACY

Today we are going to start some work on data handling. This means that we are learning to make graphs and read information from them.

This video explains why it is important to be able to organise information into graphs. (Click here.)

If you have the Blue 2 Shape, measure and data handling book please complete pages 28 and 29. Make sure to start at the picture or word when you are colouring in the graph.

If you do not have this book then please complete this worksheet. If you cannot print it then you can write the answers in your jotter or talk about it with an adult. (Click here.)

P3/2 Activities - Tuesday 9th June 2020

A note from your teacher

Please complete these tasks in the jotter or relevant workbook each day. You will be able to share your learning with the class when you return to school.

HEALTH AND WELLBEING

We are going to carry on learning about ourselves today and what makes us special and unique.

We are all stars and today you are going to fill in your own star (<u>click here</u>) with some sentences about what makes you really special. Draw your picture in the box in the middle and then try to write three or four (or even five) sentences about why you are special around your picture.

Here is a video (<u>click here</u>) which might give you some ideas and this sheet has lots of ideas on it (<u>click here</u>).

FRENCH

We are going to revise some more parts of the body with Mr Innes today.
