TIME

Today we are recapping what we have learned about time.

- Visit <https://www.bbc.co.uk/bitesize/topics/zhk82hv/articles/zcmdwxs> to get a quick recap on o'clock and half past times.
- play this game: <https://mathsframe.co.uk/en/resources/resource/116/telling-the-time>
- Time yourself: **estimate** how many of an activity you can do in 1 minute, eg how many star jumps. Then time yourself doing them. How close was your estimate?
- Complete a **Time** worksheet: choose mild, spicy, hot, extra hot!
- Practice telling the time – what clocks do you have at home? Can you tell the time on a phone, the TV, a clock on the wall...?
