

Rain Stick Craft

You will need:

Long cardboard tube
(paper towel or mailing tubes work well)

Cardboard or paper

Rainforest Scene Printable Page

Aluminum foil

$\frac{1}{4}$ cup of uncooked rice

Glue stick

Sticky tape

Directions:

1. Print and cut out the Rainforest Scene Printable Page.
2. Glue the rainforest printable to your cardboard tube.
3. Cut two circles the same diameter as the openings of the cardboard tube.
4. Tape one of the circles to one end of the cardboard tube.
5. Roll a piece of tin foil into a long thin piece. Next, shape the piece into a coil the same length as the cardboard tube.
6. Place the tin foil coil into the tube.
7. Add $\frac{1}{4}$ cup of uncooked rice to the tube.
8. Tape the other circle to the end of the cardboard tube.
9. Slowly turn the rain stick over to hear it "rain".
