

## Numeracy and Maths

Complete the daily Maths Challenge set in Assignments on Teams

Count on and back in 8s – remember to start from different numbers e.g. 80, 88, 96 or 24, 32, 40

Continue to learn the 8 x table

Complete the 8 x table challenges set on Sumdog <https://pages.sumdog.com/>

### Measure – Length

<https://www.topmarks.co.uk/maths-games/measuring-in-cm> (Learning how to use a ruler)

<http://flash.topmarks.co.uk/4769> (Measure length of parcel then weight to select the correct postage stamp)

Study Ladder (Tutorial s & Activities have been set based on length)

## Across the Curriculum

**RME** - Learn about the importance of Shabbat within the Jewish Religion.

Watch the following video clips

<https://www.bbc.co.uk/bitesize/clips/zs2hyrd>

<https://www.bbc.co.uk/bitesize/clips/z3hyr82>

View the Powerpoint in the Files section  
Then complete the follow up worksheet, if possible.

## P4 Home Learning Week beg Monday 4 May 2020

## Health and Wellbeing

Consider our school value of 'Kindness.' Last week's assembly focussed on acts of kindness to others.

Although it is important to be kind to others it is also important to be kind to ourselves. Have a look at the sheet 'Being Kind to Yourself' in the Files section. You don't need to print out the sheet. Be creative...how can you display ways in which you can be kind to yourself? e.g. make a kindness tree.

## Literacy

**Monday** - Holiday

**Tuesday** – Inservice day

**Wednesday** – Choose an activity from your list of fun spelling tasks to revise the words you have been learning over the last two weeks.

**Thursday** – Please see the work on adjectives I have set for you on Study Ladder. Don't worry about being able to print out the worksheets. You can either copy out the sentences or just talk through it with an adult (if possible.)

**Friday** - Choose an activity from your list of fun spelling tasks to revise the words you have been learning over the last two weeks.

**Reading:** Continue reading the novels you have from school or choose a book from home. You will find lots of follow up ideas on the Reading Task Grid. I have uploaded another copy into this week's Files for easy access.
