P4 Home Learning

Week beg Monday 11 May 2020

All additional material needed can be found in the files section of Teams and on the school blog. Please try to complete what you can. You can get in touch with us on Teams if you need any support.

Health and Wellbeing

Consider our school value of 'resilience.'

Being resilient is very important when you are being faced with a challenge. We are all facing challenges during this time.

Watch the Powerpoint on Resilience in the Files section and consider the points highlighted in it. If possible discuss them with an adult.

Have a look at the activities Mrs Bell has set you in the Files section about the Pentathlon training.

Literacy

Monday – Writing Can you write an imaginative story about the seas? Imagine you are under the sea, write about what happens next. See Ocean Writing PowerPoint for help.

Tuesday – Spelling 'f' phoneme. Please look at the list of spelling words for the next 2 weeks. Use these words to fill in the phoneme chart and then add your own words, if you do not have access to a printer you could make your own list.

Wednesday – Phoneme Story Assignment.

Choose another activity from your list of fun spelling tasks to help you learn this week's words.

Thursday – Comprehension Based on the different layers of the ocean (The text and questions are in Files)

Friday – Ask an adult or older sibling if they could give you a spelling test on the words you have been focussing on this week.

Reading: Continue reading the novels you have from school or choose a book from home. You will find lots of follow up ideas on the Reading Task Grid.
