

What questions do you have about space? Choose one of the Question Maker activities to help you.  
[Question Maker Hand](#)  
[Question Maker Spinner](#)

You are going on a Space Mission. What things would you like to take with you? Collect them together and send us a photo.

Get creative and try out these art ideas:  
[Space Themed Printing Hand and Foot Print Aliens](#)

Learn about Nebula from this video and follow the task to make your own Nebula in a jar. You can use paint or food colouring.  
[Nebula Video and Craft](#)

Have a look at this song about the planets. Which planet is your favourite?  
[Planet Song](#)

# Space Activities Nursery

**Complete as many activities as you can this week. Share your learning on your Learners Journal or email the school office.**  
[wllinlithgowbridge-ps@westlothian.org.uk](mailto:wllinlithgowbridge-ps@westlothian.org.uk)

Choose one of these books to read with someone in your family. Can you retell the story to someone else?  
[Back to Earth with a Bump](#)  
[Space Counting Book](#)

Can you build your own rocket? You can use any materials you like or why not try one of these activities?  
[Cardboard Tube Rocket](#)  
[Milk Bottle Rocket](#)

Try this craft to make your own Stellar Scope. You can use the template or design your own constellation.  
[Stellar Scope](#)  
[Stellar Scope Template](#)

You have been sent to the planet Mars but there is nowhere to live. Can you build a den to keep yourself safe?

Choose a planet to colour from the colouring sheets. Which colours will you use?  
[Design a Planet](#)

Have a look at this playlist for Cosmic Yoga. Choose an activity to do each day.  
[Cosmic Kids Playlist](#)

Learn about satellites and then have a go at building your own.
