

## Primary 2 Home Learning Work From Miss Hall

Thursday 18th June 2020

Hello Primary 2, I hope you enjoyed watching your Virtual Marches Day with your family on Tuesday. Here are some activities for you today.

### Literacy

Learning Intention – I can segment and recognise words that end in **ed and ing** .

fighting drawing cheated melted pointed shouted  
hoping liking raining

- Clap out the syllables in each word, then use your 'Sound Box' as you spell it
- As you say each word, think of an interesting action which describes the word and try this out
- Choose 6 of the words and use both **Bubble Writing** and **Rainbow Writing** to write them out with coloured pens or pencils

### Sentence Detective

Read the sentences carefully and look for:

- Vowel digraphs, tricky words and words ending in 'ed' and 'ing'
- Try to identify all the **nouns and verbs** in the sentences
- Please write out the sentences and **up level** them to make them more interesting

## Sentence Detectives

We watched the Marches Day celebrations in a different way this year. It was exciting to see the floats transported along the High Street. We listened to the music from the marching bands. It was fun!

## Learning Intention

### Story and Music Time

I can listen to the story, make predictions and learn new vocabulary.

I can participate and enjoy singing and performing to the music.
