### School Teams

The school football, girls football, basketball, handball and netball teams have a separate noticeboard outside the gym hall. All training sessions will be updated on the noticeboard every Friday for the following week. It is up to your child to ensure they check this noticeboard for training session days and times as some teams may not train on the same day every week. If your child is selected to represent the school in a competitive school match then they will always receive a letter which needs to be signed by their parent/carer and returned to the school office.
