

P3 May Home Learning

Name _____

Numeracy

How many ways can you solve 4×5 ?
Show your strategies on the other side of this sheet ☺

You'll find some strategies on our blog post!

Times Tables

Practise quick fire time table questions on **Hit the Button**.
<https://www.topmarks.co.uk/maths-games/hit-the-button>

Sumdog

Sumdog's National Contest
11th - 17th May.

Answer 100 questions to win an item for your Sumdog House!

Read for Enjoyment

Pick up a book, comic or any other text and spend some time reading for enjoyment. Write down the title and author so you can keep track of everything you have read. Would you recommend it to a friend?

Egyptians

Put your research skills to the test! What is the strangest fact you can find out about the ancient Egyptians? Create a short quiz with your information.

In the News

Choose a news item (TV/radio/internet/magazine) that interests you. Can you summarise the main points? Write it down and draw a picture if it helps you to remember.

P.E.

Have a go at creating your own dance to keep fit. Check out the Zumba videos on Go Noodle if you need some inspiration!

Digital Learning Week

Show off your creativity skills using technology! You can create a picture, video, animation or something else!

French

Practise counting forwards and backwards from 0 - 20 in French. If you're feeling really confident then have a go at counting in 2s (both odds and evens).

What do I do?

Choose at least one task from each row. You can do more if you want to. We will be discussing our home learning in class time so you do not need to hand in completed tasks. Just be prepared to share your learning on **Monday 28th May.**

Self-Assessment

When you complete a task colour the circle to show how you felt about it. If you don't have the colours just write R-A-G.

Red - I found this challenging.
Amber/Yellow - I needed some help.
Green - I'm confident.

4×5
