

PG6 November Home Learning

Name _____

Numeracy

Robotic toy £59	Video game £28	Games Console £249
--------------------	-------------------	-----------------------

Calculate how much it would cost to buy:

- 3 robotic toys
- 7 video games
- 2 games consoles

Challenge: How much would I have spent altogether?

Times Tables

Practise quick fire time table questions on **Hit the Button**.
<https://www.topmarks.co.uk/maths-games/hit-the-button>

Knowing your times table facts will help you to solve the Numeracy task!

Word Wizard

Can you use a dictionary to find 5 new words? Remember to write down the definition to teach the class. These words will be added to our Vocabulary wall display.

Read for Enjoyment

Pick up a book, comic or any other text and spend some time reading for enjoyment. Write down the title and author so you can keep track of everything you have read. Would you recommend it to a friend?

Remembrance

Look at any of the poems from <http://www.greatwar.co.uk/poems/> What do you like about the poem? What features make it stand out and effective? Think about the image that it creates in your mind - draw or represent this image, using any media.

In the News

Choose a news item (TV/radio/internet/magazine) that interests you. Can you summarise the main points? Write it down and draw a picture if it helps you to remember.

P.E.

Try to do 30 minutes of exercise each day. What you do is up to you!

Family Time

Spend some time with your family doing something fun! You could go for a walk or play a board game... It's up to you!

Glow Blogs

Visit the school website and have a read of the class blogs. If you know your Didbook login details, you could leave a comment on the Wordpress site.

What do I do?

Choose at least one task from each row. You can do more if you want to. We will be discussing our home learning in class time so you do not need to hand in completed tasks. Just be prepared to share your learning on **Monday 26th November.**

Self-Assessment

When you complete a task colour the circle to show how you felt about it. If you don't have the colours just write R-A-G.

Red - I found this challenging.
Amber/Yellow - I needed some help.
Green - I'm confident.

Please remember that if you need paper or other resources to complete a task, ask the teacher!
