

P7 Sept/Oct Home Learning

Name _____

What do I do?

You should complete at least

5 tasks but you can do more if you want to. We will be discussing our home learning in class time so you do not need to hand in completed tasks. Just be prepared to share your learning on

Thursday 10th October.

You can also email completed tasks to Miss Marnie on Glow.

Self-Assessment

When you complete a task colour the circle to show how you felt about it. If you don't have the colours just write R-A-G.

Red - I found this challenging.
Amber/Yellow - I needed some help.
Green - I'm confident.

Please remember that if you need paper or other resources to complete a task, ask the teacher!

Numeracy

Design a poster for our Numeracy display which explains one of the following:

- What happens when you multiply or divide by 10, 100 or 1000

OR

- How would you solve "Find $33\frac{1}{3}\%$ of 540"

Fraction Percentage

Pairs Game

Can you successfully match the fractions to the equivalent percentage?

https://www.transum.org/software/SW/Starter_of_the_day/Students/Pairs.asp?Topic=11

'A Think' (Unusual questions which make you think)

Can video games be art?

Remember to justify your answer.

Read for Enjoyment

Pick up a book, comic or any other text and spend some time reading for enjoyment. Write down the title and author so you can keep track of everything you have read.

Would you recommend it to a friend?

#FreeWriting

After our successful launch of #FreeWritingFriday in P7, try it out at home. Remember you can write about anything. If you need paper see Miss Marnie or you can type your writing and email it on Glow.

Countdown

Play a game of countdown with your family. 9 letters (remember to ask for vowels or consonants) with 30 seconds on the clock. What's the longest word you can make?

Health & Wellbeing

It's the time of year where evenings are becoming darker. Check out the JRSO website for more information about the **Be Safe Be Seen** campaign and design your own poster/write a poem/create a Sway about this. Our JRSOs will share these on their display.

Glow/Sway/Online Safety

Log in to Glow and create a Sway about Online Safety that could be shown to other classes. What are the dangers of social media and what steps can we take to make sure we all keep safe online? Remember to share your Sway with Miss Marnie via Glow.

French

Using the "all about me" vocabulary that we've been practising in class, try having a small conversation with somebody in French. You could even use the Sock Puppet app (or similar) on a device to record the conversation.
