

# *Livingston Village Primary School - Window into Learning*

*Class: Primary 3*

*Term: 1, August - October 2019*

## Literacy

- We will be looking at developing sentences.
- Continuing to develop fluency, expression and comprehension skills in reading.
- Practising forming upper and lower case letters correctly.
- Identify speech marks and exclamation marks in reading.
- Developing our knowledge of Road safety signs and creating piece of work displaying this. E.g. - posters
- Some of our writing this term will be linked to our topic 'The enchanted wood'.
- Adding information such as verbs and adjectives to make our writing more interesting.

## Numeracy

- Exploring number sequences to 100 and then 1000.
- Continue to develop and extend our knowledge of addition and subtraction upto 100.
- Know a variety of strategies to use when adding and subtracting mentally.
- Developing our mental math strategies in situations such as 'number talks' daily.
- Count on and back in 2's, 5's and 10's to 100.
- Using a 100 square and recognising patterns.
- Looking at shape (3D and 2D).
- Looking at patterns in numeracy and strategies to help and support our learning.

## Health & Wellbeing

- Looking at Road safety and how to stay safe when crossing the road.
- Developing our class charter and classroom ethos.
- Continue to develop strategies to be resilient.
- Develop skills in PE.
- Running the 'daily mile' when possible.
- Continue to develop a Growth Mindset.
- To develop personal and emotional learning through Circle Time activities.
- Showing we care when listening to Show and tell and asking questions showing we care.
- Listening in assembly and showing we care about our school.

## Inter-Disciplinary Learning

- Look at road safety and how we can cross a road safely.
- Role play a road safety situation.
- Create road signs and understand what they mean.
- Create a model of the faraway tree from 'the enchanted wood'
- Create a character that could be from the book, looking at characteristics and how they may look.
- Find out about trees and their purpose through our book study 'The enchanted wood'.
