

Livingston Village Primary School - Window into Learning

Class: Primary 3

Term: 3, Jan - April 2020

Literacy

- Continue to develop fluency, expression and comprehension skills in reading.
- Build confidence in self correction in reading and writing.
- Continue to use spelling strategies.
- Continue to form upper and lower case letters correctly.
- Use speech marks and exclamation marks in writing.
- Develop knowledge of French and Polish words.
- Write a procedural piece of writing on 'How to make shortbread' and an information report on fair-trade food.
- Continue to write 'weekend news' to build confidence in forming words.
- Find information in non-fiction books and online to create a mini project about a historical person.

Numeracy/Maths

- Continue to explore number sequences to 1000, rounding and estimating.
- Reinforce place value understanding.
- Continue to develop and extend our knowledge of addition and subtraction.
- Know a variety of strategies to use when adding and subtracting mentally through number talks and numeracy and maths work.
- Count on and back in 2's, 5's and 10's to 100.
- Develop knowledge of multiplication (2,4,8,10,5,3,6 then 9 times table) and then division once confidence in multiplication grows.
- Extend knowledge of fractions to include halves, quarters, tenths and fifths.
- Collect, display and interpret information on a table using tally marks – eye colour.

Health & Wellbeing

- Know how to get help in an unsafe or emergency situation.
- I understand what emergency services are available and when they are needed.
- I can understand how to stay safe around medication.
- I understand my body belongs to me.
- Continue to develop strategies to be resilient.
- Develop gymnastics and badminton skills in PE.
- Continue to develop a Growth Mindset.
- Know that we need to eat a variety and balance of food to stay healthy.
- Can create a menu of healthy food.
- To develop personal and emotional learning through Circle Time activities.

Inter-Disciplinary Learning

- Scottish focus for first two weeks of term:
- Learn about an important Scottish historical person and their influence on Scotland today.
- Make shortbread from our procedural writing – 'how to make shortbread'.
- Learn and understand some Scots words.
- Thereafter we will be learning about the Romans:
- Look at Roman artefacts and discuss.
- Understand what the Romans did for British society and the Roman Empire.
- Create Roman armour in Art.
- Look at Roman numerals.
- Chinese New Year assembly – 31.01.2020 – Create a Chinese dragon and Rat.
- Create a dance/Sing along to music/play an instrument.
