

Teamwork

Although we can't get together to work as a team, this is a good time to think about what makes a good team and what **you** can do to help your team do well.

1. Make a list of the good teamwork skills that you see. If you can, talk about these with an adult.
2. Now complete the worksheet *I Am and Amazing Person*. This will help you to think about your own skills and talents.
3. Imagine you are part of a team that is planning a birthday party. Think about what role you could take, and what you would do to help. Write about your ideas and why you think you would be a good team member.
